

GROUP CLASSES

PRICING

Fees include all materials and staffing. The base price (the cost for up to 6 students) is charged at booking and is refundable up to 14 days prior to the scheduled class date. Total class cost is based on the actual number of students and will be invoiced at the end of class.

Schools and nonprofits: ask us about our discounted rates.

SCHEDULING

Please book at least one month in advance. Most group class availability is during daytime and weekend hours, however it may be possible to accommodate evening class requests. Some classes can accommodate larger groups and/or design changes, so please let us know if you have a special request!

To schedule: email education@rebuildingcenter.org or call 503-467-4985

2 - 2.5hr Classes

\$540 up to 6 students / \$90 each additional student

[Creative Reuse: Jewelry Making](#)

Learn techniques to make jewelry using found baubles, beads, and other reused items.

[Intro to Tools: Home Repair Toolkit](#)

Learn about essential tools that are useful around the house for basic repairs.

[Plumbing Essentials and Basic Repairs](#)

Save money and water by learning how to identify and fix common plumbing problems.

3hr Classes

\$630 up to 6 students / \$105 each additional student

[Intro to Carpentry: Tables & Benches](#)

Our most popular class! Use a simple design to make a small table or bench while gaining skills for future DIY projects.

[Intro to Carpentry: Cedar Garden Boxes](#)

Learn basic woodworking skills while building your very own garden box.

[Build a Lamp](#)

Learn basic electrical skills and lamp repair, and build a table lamp to take home.

[Creative Reuse: Found-Object Mosaics](#)

Explore how to use reclaimed objects to make quick-drying mosaics at home.

[Intro to Electrical: Safety and Simple Repairs](#)

Get a basic understanding of your home electrical system and learn how to do simple troubleshooting and repairs.

[Intro to Wood Refinishing: Flooring, Furniture, & Other Surfaces](#)

Learn how to plan, prepare, and complete wood refinishing projects.

[Intro to Tools: Routers](#)

Introducing the router, one of the most versatile tools in the shop!

[Intro to Tools: Carpentry Essentials](#)

Great for those new to woodworking! Learn basics of tools such as drills, table and chop saws, sanders, and nailers.

2 Day Classes

\$1260 up to 6 students / \$210 each additional student

[Intro to Carpentry: Cutting Boards](#) – 6 hrs (3 hrs each day)

Use reclaimed hardwood to make a simple and beautiful cutting board of your own design.

[Intro to Tools: Table Saws](#) – 6 hrs (3 hrs each day)

Take a deep dive into table saw basics, safety, and specialized cuts.

[Creative Reuse: Making Tile Mosaics](#) – 5 hrs (3 hrs Day 1, 2 hrs Day 2)

Add color and interest to your yard or garden path by creating broken-tile mosaics. No art or design skills required!

OPTIONAL CLASS ADD-ONS — Ask for details

- A guided tour of the ReBuilding Center facilities and store
- Space set aside in our shop or conference room for gifts or refreshments
- Other special requests — just let us know!
